Hi Kalu,

- ¹ How are you? I'm fine. It was my birthday on Saturday. I'm eleven now. My birthday was great. It was a cold and snowy day and I was at the Sapporo Snow Festival with my family.
- ² The snow festival is every year in February. It's fantastic. It's really big and there are lots of amazing snow sculptures. This is a photo of my favourite snow sculpture this year. Can you see what it is? It's a snow building.
- ³ There are also snow animals and lots of snowmen and women. This is a snow family!
- ⁴ The snow festival is beautiful at night too. What's your favourite festival?

Email me soon.

Best wishes,

Yasuko
